

Plug-N-Scan 1200 CP

Mustek's **Plug-N-Scan 1200 CP** is the smallest, most innovative scanner on the market today. Ultra-slim styling combined with full-function features and added high-resolution capabilities makes this the most versatile, compact scanner ever.

We've included all of the tools necessary in one easy-to-use package. Photo Express 2.0 SE is ideal for all your image-editing needs, allowing users to create greeting cards, calendars, web album pages, slide shows, screensavers and more. Also included is Xerox Textbridge Pro 8.0 for all your optical character recognition needs. The software alone is valued at \$129.

As an added convenience this user-friendly scanner comes with a cover sensor which activates the direct scan software at the lift of the scanner lid.

With Mustek's Plug-N-Scan 1200 CP the possibilities are endless!
