

Mustek UPS 600

The Mustek UPS 600 is the solution to all of your battery backup needs. It provides an uninterruptible power source to protect your sensitive electronic equipment or computer against blackouts, brownouts, spikes, sags and surges. The included telephone jacks also helps protect your phone or modem from power surges.

It uses PWM regulated output for the most stable electrical signal to your computer, and surpasses the competition by providing a quick transfer time during power loss.

It provides an audible and visual warning during power loss and the included software saves files and shuts down your system even when you are not there.

The Mustek UPS 600 protects your investment in time and equipment.

PRODUCT SPECIFICATIONS

Capacity	600VA
Input	Voltage: 100VAC, 110VAC, 120VAC Voltage Range: $\pm 15\%$ Frequency: 50Hz or 60Hz $\pm 5\%$
Output	Voltage: 100VAC, 110VAC, 120VAC Voltage Regulation: $\pm 3\%$ Frequency: 50Hz or 60Hz Frequency Regulation: $\pm 1\text{Hz}$ Output Waveform: Modified sine wave Transfer time: Less than 5ms
Battery	Sealed lead-acid, maintenance free Backup time: 5-20 minutes Recharge time: 3-5 hours to 90% after complete discharge
Indicator	LED for line on, battery backup and cut off
Alarm	Audible alarm, sounds every 4 seconds after power loss, mute after 90 seconds
Protection	Under/over voltage, spike suppression, overload, short circuit, AC/DC fuse, telephone line
Dimensions	12.6" x 7.1" x 3.1"
Weight	15.4 lbs.
Operating Environment	32°-104° at full load, 0-90% Relative humidity (non-condensing)
Noise level	Less than 35 dB
Interface	DB-9, supports Windows 95/98/NT
